Heinz TUSSAT

Action Required: HDC Check and Traces

1. UPSWING requests that the HDC be checked for all available record of Heinz TUSSAT, born 2 January 1913 in Trier, currently residing Oldenburg, Lambertistr 82, formerly active in the RSHA.

2. Though UPSWING does not so admit, we assume Subject is a current or prospective UPSWING member.

3. Traces from all recipients are also requested, for POB information. CIC request forms are attached. POB/MOB files contain no traces, though there is a brief Primar entry which probably refers to Subject, as follows:

"TUSSAT or TUSAT, Obersturmführer — German: Sipo & SD Rome: worked temporarily at the Via Tasso, Rome, before the Allied occupation: said to have escorted agents to the front and to have made arrangements for them to cross the Allied lines: reported in July 1944 to have gone to France or Holland.
